

31 Betley Crescent, Fairview Downs

3 bedrooms, 1 bathroom, 1 kitchen, 1 car

An absolute kiwi classic with so much potential, set on a 688m² (more or less) freehold section in a fast developing area that is becoming increasingly popular for young families and couples alike. Easy to warm to, this home has a 'feel-good' aura with an obvious scope for great renovation potential. Offering three generous bedrooms, native timber flooring, huge double garaging (with additional height for caravans etc.) and a functional kitchen, all the right ingredients are here to move in and enjoy and enhance in the future. A heatpump has been installed for all year comfort. Surrounded by excellent neighbours, our vendor cherished his 12 years here, relishing in the community feel and quiet suburb.
